

# PUBLIC MEETING

## **Utah Committee of Consumer Services**

September 27, 2016

# Welcome & Business

---

# Case Updates

---

## Case Updates

- Dominion/Questar merger approved by both Utah and Wyoming PSC – now officially consummated
- PSC approved the Facebook contract, but Facebook chose New Mexico location instead of Utah
- Testimony filed in EBA Design Review Case
- Reached settlement in principle on this year's EBA true-up filing (scheduled to be filed tomorrow)
- Regional ISO issues remain primarily on hold:
  - PacifiCorp has stopped filing comments in various stakeholder initiatives
  - Governance discussions have restarted
  - Consumer Advocate principles – discussions restarted, document nearly complete
- Filed recommendations in Solar Incentive Program docket recommending refund and penalties for imprudent management of the program

## Case Updates: Ongoing Work

- RMP filed request for Kennecott contract approval (details confidential), OCS is evaluating impact to customers from perspective of:
  - Contribution to fixed costs,
  - Impact on inter-jurisdictional allocation of costs, and
  - Impact on net power costs.
- RMP filed its request implementing the Sustainable Transportation and Energy Plan (STEP):
  - Commission scheduled first portion to be completed by December.
  - Parties agreed to schedule the remainder of the evaluations for the first half of 2017.
  - Parties agreed to start work group meetings on Electric Vehicles and Time of Use rates.
